Drivers to Be Hypnotized

You Will Not Panic!

CHICAGO (UPI)—A hypnotist said yesterday he's embarking on a program to make Chicagoans safer drivers through post-hypnotic suggestion.

The hynotist, George Walton, said he hopes to train motorists in wholesale lots to stay calm, keep their tempers, judge their distances better and observe speed limits.

"Techniques of hypnosis applied to traffic safety could cut Chicago's accident rates in half and make this the safest city in the nation," he said.

Walton said a hypnotist could handle "50 or 500" persons at a session.

"We'll get the group all relaxed, then into a light stage of hypnosis," he said. "Then we'll post them so they will go deeper.

"We'll describe to them traffic temper-builders and situations that produce nervousness. We'll make them more relaxed, tell them not to suffer fatigue, suggest that they judge their distance for braking, suggest that they take another minute or two to reach their destination."

Ten or 15 minutes in such a session, Walton said, would do wonders for persons who respond to post-hypnotic suggestion and do "some good for even those who think they can't or won't be hypnotized."

Jet Target
U.S. Air Force Firebee, advanced remote-controlled jet target drone, is readied for test flight. It can fly above 50,000 feet.

Mail 'Tapping' Charged

VENTURA, Calif. (AP)—The son of a woman on trial for murder charged Thursday that the district attorney's office opened some of his private mail.

Frank Duncan made the statement to newspaper men as attorneys continued the tedious job of selecting a jury to try his mother, Mrs. Elizabeth Ann Duncan, 54. She is accused of hiring two men to murder Frank's pregnant bride, Olga, 30, of Dauphin, Man., and Vancouver. The state says the mother-in-law was jealous.

Outside the courtroom, Frank told reporters chief investigator Clarence Henderson of the district attorney's office handed him an envelope addressed to Frank Duncan, in care of the district attorney. It had been opened, he said. Henderson acknowledged the mail had been opened, but said it was by mistake.

In court, the prosecution said on two different occasions Thursday it was willing to go along with the prospective jury members then in the box. But defence objections held up a final selection.

School Bomb Scare Second in Nine Days

For the second time in nine days, Saanich police and firemen were called to Colquitz Junior High School, yesterday morning to investigate a false bomb scare.

They were responding to an anonymous telephone call to the police department at 8.17 a.m. yesterday, reporting a bomb hidden in the school. Previous scare was launched in the same manner, at the same time of day.

As in the first case, police, firemen and school staff combed the school carefully before allowing students in for classes.

Saanich police pointed out that the caller could get five years in prison.

Four More Cheque Offences Admitted by Convicted Man

A young man now awaiting sentence on four charges of false pretences involving worthless cheques in Greater Victoria yesterday pleaded guilty to four similar offences on the mainland.

John W. Willison appeared before Magistrate William Ostler in Saanich police court to hear the charges.

He admitted obtaining records, recording tape and other items valued at $210 from Fairburn TV Service, by means of a worthless cheque; a TV set and record player, valued at $514, from A. T. Johns & Co.; and a birdcage valued at less than $50 from Burrard Feed Co. Ltd. All three firms are in North Vancouver.

Fourth charge involved projectors, movie screens and other items, valued at $480, obtained from Capilano Hobbies, West Vancouver.

He was remanded to this morning for sentence on the eight charges. Three Victoria stores and a Lake Hill district shop in Saanich were named as victims in the earlier charges.

* * *

Also in Saanich court Western Heating Products Ltd., 825 Broughton, pleaded guilty to installing an oil heater without a licence to do so, and to improper installation of a second heater. Company was fined $15 on each charge.

* * *

In city court Albert J. B. Martin, 1028 Verrinder, pleaded guilty before Magistrate Henry C. Hall to a charge of obtaining goods valued at $25 with a worthless cheque, last Dec. 24. He was fined $25 with the alternative of five days in jail.

Pellon Nand Lal, 831 Queens, pleaded guilty to a charge of depositing garbage on the street, and was fined $10. He admitted dumping a load of old newspapers, magazines, paint cans and other trash on a roadside in the Industrial Reserve.

How to cut a FANCY figure ...without spending one!

The way to cut a fancy figure without spending one is to drop into your neighbourhood Ford Dealer and ask him to show you his Custom 300 Tudor Sedan with a Six engine. It's the lowest-priced of all the fine Fords—in fact the lowest-priced car in its class.*

So much for the money end of it—what about the fancy figure? Well, if you prefer clean, trim lines, you'll get the best of what you want in a Ford. And Ford quality stands up to closest inspection right down to the smallest detail—inside and out.

Ford also gives you a whole series of standard features that would cost you $87.25 *extra* in a directly competitive model (which costs more to begin with). Examples? Foam cushioning in the front seat, extra body insulation, 66-plate battery, aluminized muffler that lasts up to twice as long ... just to mention a few.

Sounds good? It *is* good. Drop into your nearest Ford Dealer's and see for yourself.

*According to recent comparisons of manufacturers' suggested retail prices.

The Custom 300 Tudor is as economical to run as it is to buy. For example, with a Mileage Maker Six engine you get up to 24 miles per gallon of regular gas.

Ford gives you a choice of 18 models in 5 series, that start with the low-priced Custom 300 and include the Fairlane, Fairlane 500, Galaxie and Station Wagons. Six or V-8 available in all models.

FORD MILEAGE MAKER 6 — deep-block construction, short-stroke design, 24 m.p.g. economy — CANADA'S MOST MODERN SIX
